

PICNIC IN THE PATCH

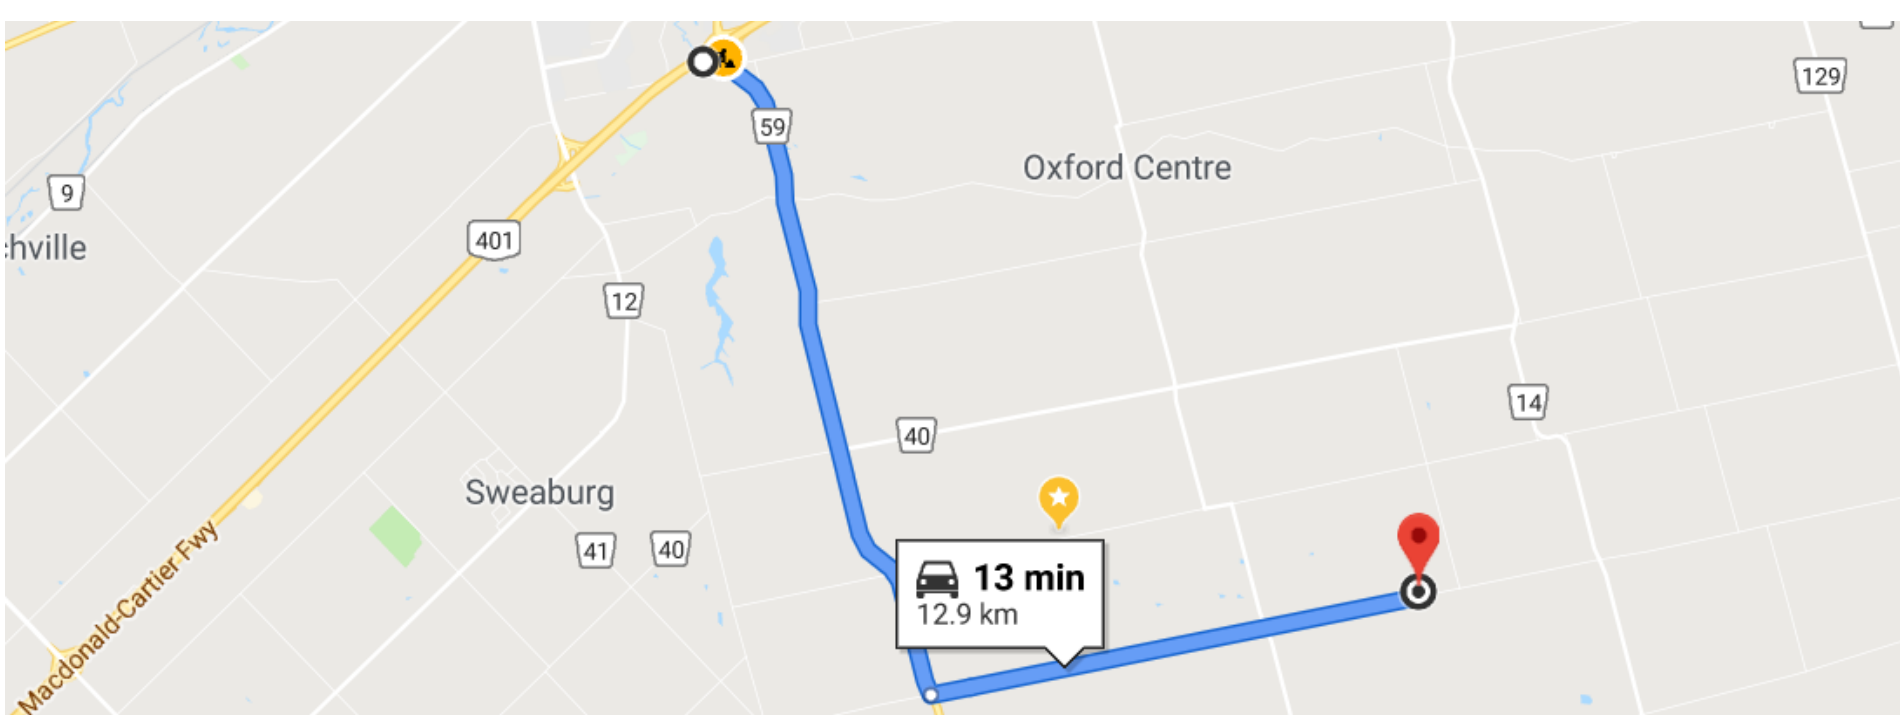

Enjoy a slice of paradise with your bestie or your sweetheart

ENJOY AN EXCLUSIVE BERRY PATCH EXPERIENCE

Calling all couples, besties, mother-daughters and any group of two! Enter the canopied blueberry patch at Berrylicious Fruit Farm to reconnect with what you eat this summer and enjoy something sweet. Join Wendy and Don, farmers at Berrylicious Fruit Farm, for blueberry tasting and a discussion on the best picking techniques, before heading into the blueberry patch to pick a gallon (3.78 litres) of farm fresh blueberries.

Over two hours you'll enjoy picking your own blueberries before saddling up together for a delicious meal with your sweetheart or your bestie. Enjoy a tasty berry flatbread and mason jar salad (served with a fruit balsamic vinegar). For dessert, top things off with a blueberry and raspberry shortcake for two.

Finally dig a bit deeper into the basket to find some unplugged activities to help you unplug from your devices and reconnect with each other. Now *that's* sweet.
