

FRESH BLOOMS

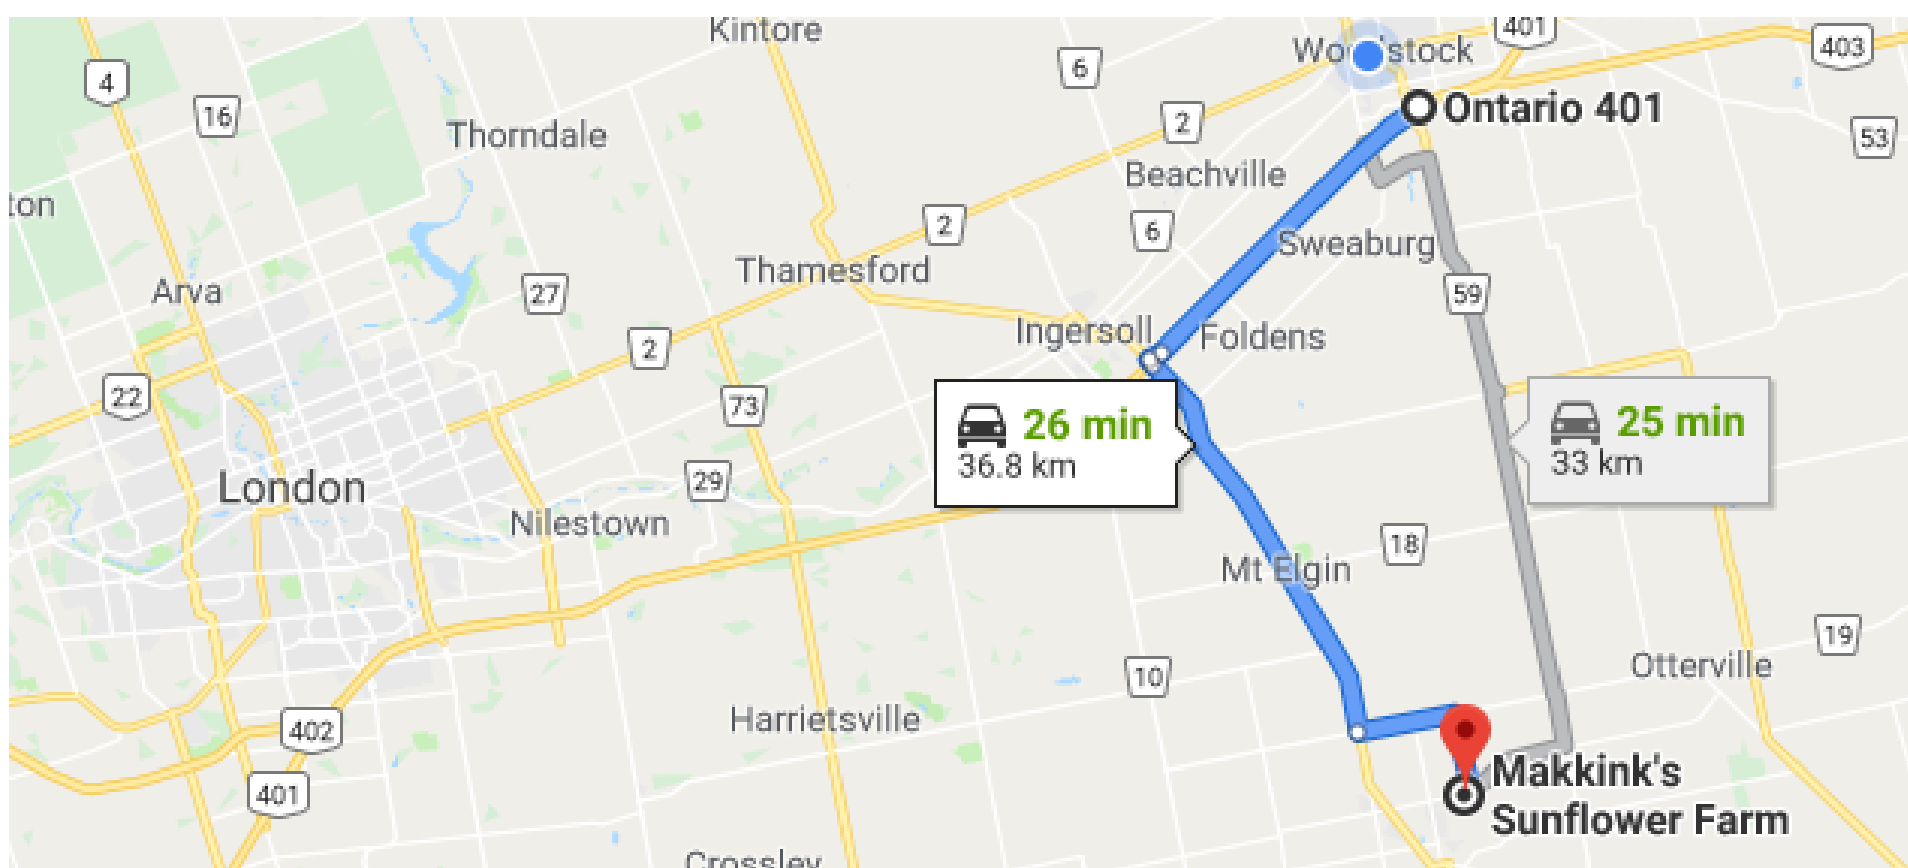

A CUT-YOUR-OWN FLOWERS EXPERIENCE

ENTER A STRESS-FREE ZONE

Stepping into the field at Makkink's Flower Farm is a breath of fresh air. In their new cut-your-own flowers experience, you'll have the opportunity to join Hilde Makkink as you cut your own flowers and create a beautiful arrangement for your home.

The experience begins with a farm tour led by Hilde before heading into the field with your own clippers. You'll cut a gorgeous variety of blooms (everything from dahlias and sunflowers to zinnias and straw flowers) and take the time to slow down as you experience the sweet smells of the air, the sounds of birds and the feeling of dirt on your hands.

Next, head into the workshop where Hilde will walk you through the ins and outs of creating a beautiful arrangement. You'll learn to take things like shape, colour and fillers into account. Finally, finish off by taking home your beautiful arrangement to enjoy.
